## *TERMS OF SALE*

PRICES in this catalog are for commercial florists only. All prices are F.O.B. Indianapolis and subject to change without notice.

DISCOUNTS AND PAYMENTS. We extend no cash discount. All bills are due the first of the month following date of invoice unless special arrangements have been made.

SHIPMENTS. Unless specific instructions are given we will use our discretion in forwarding the shipment the quickest and more economical method. Send both Express and Postal addresses if they are not the same. We advise the use of Air-Express, Air-Parcel Post or Air-Freight for shipments to distant points, particularly the Pacific Coast States.

HEALTH CERTIFICATE. A health certificate signed by the State Entomologist is attached to each shipment. We are not in a Japanese Beetle Zone.

WARRANTY. We give no warranty expressed or implied as to description, quality or productiveness of any plants, bulbs or seeds we send out and we will not be in any way responsible for the crop. If the purchaser does not accept the merchandise on these terms, they must be returned at once.

NO ORDERS ACCEPTED FOR LESS THAN 25 OF ONE VARIETY. Prices quoted are for 25 or more of one variety.

Dear Customer:

We are again presenting our list of what we consider the best commercial chrysanthemums. It has been necessary to discard a few varieties, possibly your favorite, but we believe you will find in the list another variety just as good or better to take its place.

At this time our stock is still STUNT FREE. We are watching it closely and doing everything possible to keep it that way.

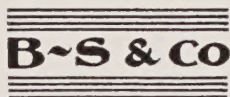

We have four new varieties to offer this season as pictured on the next pages. We believe there is a definite place for each of them and urge you to try a limited quantity for your own appraisal.

Labels on all cuttings we send out this season will be marked with the emblem at the bottom of this page. It is your guarantee of the finest chrysanthemum stock available.

Use the enclosed order blank and postage paid envelope to get your order in early. We expect the demand to exceed the supply again this season but we will do our best to see that our good friends and customers get what they need.

Very truly yours

BAUR-STEINKAMP & CO.
